REPRODUCTION

Colour and small-size use

Use the version designed for the background and the scale.

Primary

Forest

Navy

Black

White

Reversed

Micro mark / actual pixel-size references

16px

24px

32px

48px

64px

Below 64px use the solid gable.
At 64px and above keep the round window.

These references are meaningful at 100% view only. Always inspect a proof at the intended final size.
